Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Editions Didier Millet Pte Ltd, Singapore, 2016. Paperback. Condition: New. New. Language: English. Brand new Book. This is a volume on the art and architecture of the temple complexes of Angkor. Tracing the history of Angkor Wat from its beginnings in legend to its early incarnation as a centre of Hindu worship, before its transition in the 14th century to a major landmark of Buddhist architecture, author Thierry Zephir uncovers the layers of history buried beneath the ruins of Angkor, first guiding readers through Angkor Wat before bringing them to Angkor Thom, as well as the areas surrounding Angkor where lesser-known but equally intriguing structures still stand. The book consists of a rich visual array of photographs which illustrate both the vastness of the ancient complex as well as the intricacies of the stonework within. Picture spreads are testament to the extensive nature of Angkor's temples, while close-ups reveal the infinite detail that is inherent throughout. Individual chapters are devoted to Angkor Wat and Angkor Thom, while two further chapters, Around Angkor Thom and Away from Angkor, focus on the ruins in the landscape around the region. Pictures in each section are prefaced by well-researched texts which furnish the reader with historical information, placing the buildings against a backdrop of larger developments and trends in ancient Cambodian history and culture. The author illuminates each photograph in unstinting detail, bringing acclaimed photographer Luca Invernizzi Tettoni's pictures to life with expert knowledge. Angkor: A Tour of the Monuments proves to be an invaluable reference source for serious readers of the subject as well as for those wishing to acquaint themselves for the first time with one of Cambodia's most important monuments.
