Weasel Press, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. There is a great transformative element to Sudeep Adhikari's work. Everything bends and morphs into something else, as Sudeep wrestles with the Buddha and the modern world with equal vigor. Let's end with a, "Chinese funeral stripper." My favorite title is, "fables of innocent madness." These poems will make you grin and contemplate. I highly recommend buying a copy or two, what the hell buy twenty and send me fifty dollars. In his latest collection, Sudeep Adhikari has proven this point well. His work in Hyper-Real...
